(Designation) President, Taluk Board Coondapur

To The Secretary to the Government of Madras,

Local Self-Government Department.

Thro. the President, District Board, South Kanara.

Sir,

I have the honour to submit herewith a copy of Taluk Board resolution No. 2 dated 8th April 1922 and to state as follows:

Rs 4-5 with

The area of this Taluk Board is mostly covered with forests and thereby the income of Land Cess is lesser than the income of the neighbouring taluk boards of Udipi and Mangalore.

This Taluk Board has to maintain three Medical institutions viz a hospital

at Coondapur and two dispensaries at Baindur and Shankaranarayana.

The total amount required to maintain these institutions as estimated for the current year is Rs. 14,000 and odd. Out of which Rs. 7,000 are required to pay the Medical Subordinates in accordance with their revised scale of pay.

Further, Government in their order No. 606 P. H. dated 28th November 1921, have pointed out the wastefulness of a whole time officer in a dispensary which does not provide sufficient work for a whole time man and they have suggested that such dispensaries should be closed for two or three days in the week and the Medical officer required to tour, visiting specified places on specified week days. para. 3 of the note on the administration of medical relief (P)

The Shankaranarayana dispensary does not provide sufficient work for the Medical officer in charge of it, the average number of patients being only 14 a day. The matter was placed before the meeting and the Taluk Board was of opinion that unless Government is prepared to subsidise half the net cost on account of Medical relief, the Board — ibid —

3/

is not in a position to decide the question of sending the Medical officer to visit outlying stations on fixed week days. As this arrangement will involve more expenditure in the shape of paying travelling allowance to the Medical officer and Servant and of paying for the conveyance of medicine

I therefore request that you will be so good as to move Government to sanction half the cost of medical institutions in addition to the annual recurring subsidies.

Please see resolution at p. 5 infra

2. Read Government Memorandum No. 2955 – 1 P.H. dated 28th February 1922, informing that the Local Boards may adopt for purposes of budget provision at a rate of Rs 317.18 as the average pay of a Civil Assistant Surgeon and Rs 136.25 as the average pay of Sub Assistant Surgeon in the revised scale with the

the allowances attached to the appointments and in the case of Civil Assistant Surgeons for leave and pensionary contributions also.

Also a report of the Sub Committee appointed by this Taluk Board for preparing a scheme for converting the A. D. Dispensary, Shankaranarayana into an itinerating dispensary with reference to G. O. No 1606 P. H. dated 28th November 1921.

The Board is of opinion that its finances cannot bear the increased burden on account of the enhanced scale of the contribution in respect of Medical Subordinates.

Resolves therefore to address Government that inasmuch Government cannot bear half the net cost of the Medical institutions, this Board may be permitted to recruit and employ its own Medical men.
